

Welcome Home

Welcome to Nature Park Commons, Greensburg's all inclusive fully licensed senior care residence. Nature Park Commons offers a lovely, safe and convenient setting accessible to local shopping, dining and community activities. Our nursing and professional staff are here 24 hours a day to assist our residents in maintaining a healthy and meaningful lifestyle.

Nature Park Commons features Companion, Private & Deluxe Private Suites. Many of our suites include handicap accessible bathrooms, microwaves and mini-fridges. Enjoy complimentary expanded basic cable to watch your favorite shows and local phone service to keep in touch with family and friends. Whether you bring your own furnishings or choose a fully furnished suite, these bright and cheerful spaces await your personal touch.

When you step into Nature Park Commons you realize you're somewhere very special. You'll love the casual country charm of our Atrium, where you can catch up with friends over a cup of coffee and plan your day. Residents have the option to participate in our seven day a week in-home activities or just relax and cozy up with a book on the garden patio or in the privacy of your own room. The choice is yours.
