

Immediate Furnished Apartments Available for Seniors Requiring Assisted Living

Atria Senior Living Group has immediate availability at retirement communities across the southern coastal region for seniors displaced in the aftermath of Hurricane Katrina. Atria communities in Alabama, Texas, Florida and Georgia currently have apartments open for short-term or long-term stays.

Atria communities are offering seniors discounted living options during this time of need. Our average monthly rate is \$2800, plus the cost of care. However, for seniors who have been displaced by the hurricane, the first two months' rent on furnished apartments will be offered at half-price, the community fee normally charged to new residents will be waived, and linens and toiletries will be provided.

Atria Senior Living Group communities offer residential services for thousands of seniors in 28 states. Services provided at Atria communities include meal service, housekeeping, linen service, and varying levels of assistance based on need. Assistance includes support with activities of daily living such as bathing, grooming, dressing, medication reminders and getting from place to place. Many Atria communities also have specialized Life Guidance neighborhoods for people with Alzheimer's disease or other forms of memory impairment.
