Quality Personnel

Aside from our 24 hour availability, Alliance Care guarantees quality care. The safety and comfort of our patients is the highest priority. Extensive quality assurance and background checks are part of our process. All caregivers are supervised by our on-staff Registered Nurse (R.N.).

Long-Term Satisfaction

Alliance Care focuses on compatibility between client and caregiver. Interviews may be arranged to guarantee the best possible fit. In addition, regular contacts and visits from our staff will allow us to evaluate each case and make all appropriate changes.
