Three Oaks
HOSPICE

WHAT IS HOSPICE CARE?

Hospice care is provided to patients and their families with a focus on care, dignity and comfort rather than curing. Hospice provides a variety of services including pain and symptom management with emotional and spiritual support. Support is also provided to the patient's loved ones. All provided care is tailored to the wishes and needs of the particular patient and their family. Services are available to patients with any terminal illness, of any race, religion or age.

WHAT SERVICES ARE PROVIDED?

Three Oaks Hospice develops an individualized care plan for each patient. We can assist with the following services:

- Medical equipment & supplies
- Related medications
- Pain management and symptom control
- Physician directed services
- Nursing care
- Certified Nurse Assistant
- Chaplain services
- Social work and counseling services
- Volunteer support
- Bereavement support
- Other therapies as needed

WHO PAYS FOR HOSPICE CARE?

The Medicare Hospice Benefit covers the cost of Hospice Care. Medicaid and private insurance companies often cover hospice services.

HOW IS HOSPICE CARE DELIVERED?

Our hospice team makes regular visits to assess the patient and provide care. The hospice staff has clinicians on call 24 hours a day, seven days a week.
