

# AccuCare Home Health Care of St. Louis

**AccuCare Home Health Care of St. Louis, a local RN owned and RN managed service, is dedicated to providing seniors with the finest private, in-home health care. In their home. On their terms.**

*Jane Olsen, AccuCare Dir. of Nursing/Operations, (L); and Jacque Phillips, RN, BSN, AccuCare Founder/ President, (R), and are involved in numerous St. Louis not-for-profits.*

At AccuCare, caregivers show clients the same level of compassion they would show their own families. Jacque Phillips and Jane Olsen have firsthand experience as they both cared for their own parents in their homes the last several years of their parent's lives. Treating clients as they would care for their own family is the driving force that allows AccuCare Home Health Care of St. Louis to provide exceptional care with dignity and respect. They give peace of mind to you and your family. They make themselves accessible to clients by phone or email 24/7.
