"People talk about angels being amoung us, this weekend we met three. Thank you for sending them to us." Mona C.

*"In my eight years of taking care of my father, I have never experienced a Home Health Care Service with such interest in service."
Laura S.*

We help ease the transition from hospital-based care to home. We know you can't do it all so we are here to help provide your loved one with the satisfaction of enjoying life at home, surrounded by a familiar setting, where everyone can rest and relax.

No matter where your loved one lives, our quality care makes it home with all the comfort and security you need. We will provide private duty services dedicated to your loved one in a hospital, home, or an assisted living or long-term care facility.

At *CareStaf*, we recognize the emotional and physical demands of caring for an elderly or ill family member... so leave it to us to make life easier.

**24 hours a day,
7 days a week,

Caring for your loved one is our most important mission. All who are dependent on *CareStaf* can trust us to take our responsibility completely to heart. Day after day, year after year, we'll maintain our integrity and dedication to professional standards.

Employment Criteria

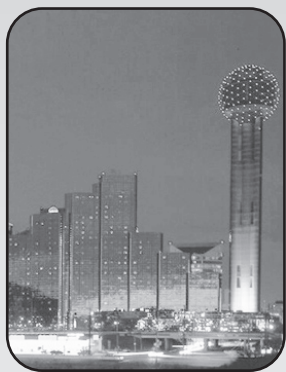

To maintain our high standards we carefully prescreen our employees to meet our clients' needs, including:

- + Employment Verification
- + One years experience
- + Competency Evaluation by our RN
- + Skills Testing
- + Criminal Background Check
- + License/Certification Verification
- + Drug Screens

For quality assurance, we recruit, interview, hire and supervise our employees. Forget your worries about finding and managing qualified staff to provide needed care. We pay all employee taxes and insure and bond all staff. Our Supervisor of Private Duty Services visits patients regularly. If problems arise, we stand ready to resolve them to your complete satisfaction.

All nurses are supervised by our Registered Nurse who prepares a plan of care after an initial consultation with the client's family and is available 24 hours a day for any questions or concerns. All care requires doctor's orders.

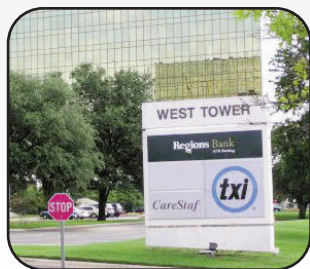

hometown *professionals*

You will have our full and personal attention. *CareStaf* began in Dallas in 1996 and has built our growth on the success and quality of our people. Many of our office and field staff members have been with us for years and all

are dedicated to making *CareStaf* the best home care agency in Dallas. Our hometown connection is strong. We are independently owned and operated by people living in the community. *CareStaf* is not a branch of a national company. Many hospitals and hospice organizations refer families to *CareStaf* because they trust us to provide professional and caring services in the home, hospital or care facility.
